

Dear St. Louis Community Member,

I'm pleased to invite you to the The Muny at Forest Park for a huge piano event. This event is being held at the Muny from September 21-24.

The 2017 Muny Season has had the use of new first-class pianos on a No Cost Basis due to a unique partnership with Lacefield Music. The instruments provided to the Muny and other instruments displayed at this event will be sold at incredibly reduced prices to help perpetuate this valuable program for the Muny.

All pianos from this program have been gathered and placed at The Muny at Forest Park, #1 Theatre Dr. St. Louis, MO 63112

Pianos available for purchase include those on loan to The Muny and other institutions along with new and used pianos. **There will be over 130 pianos to choose from. The selection includes grands, player grands, digital pianos, and uprights in all price ranges. Brands include Kawai, the highly acclaimed and rare Shigeru Kawai pianos, the hand crafted German Schimmel pianos, Geyer, Casio, Pearl River pianos as well as a beautiful selection of used Yamaha, Steinway & Sons, Clavinova, Roland, Baldwin pianos plus many more. No matter what your price range you will find something perfect for you.** As a friend of The Muny, we'd like to extend to you special discounts on these pianos. You'll also be able to arrange for financing, delivery, and warranties.

There are two ways to view these selected pianos:

1. As a recipient of this letter, you can make an appointment for Thursday, September 21, Friday, September 22, or Saturday, September 23, for exclusive access to the best **selection** and **pricing**. Please call [314-260-7430](tel:314-260-7430) to arrange a time.
2. If unable to make the appointment, you are also invited to attend the public sale on Sunday, September 24, between noon and 5pm. Please note that your price savings will still be in effect on Sunday.

It is important to make an appointment to select your piano. Many are one-of-kind, and the selection is very limited. Appointment times allow for quiet and perfect piano selection before the hustle and bustle of the public days.

I truly hope you will take advantage of this wonderful opportunity to support The Muny. As always, thank you so much for your gracious commitment to The Muny.

Sincerely,

Dwayne Hilton
Lacefield Music
